MEMORANDUM FOR: THE DIRECTOR OF CENTRAL INTELLIGENCE

ATTENTION : Executive for Administration and Management
SUBJECT : Transportation and Supply Division T/O

1. S. O. Directive No. 18 dated 6 June 1947 approved a total of forty-six (46) positions for the Transportation and Supply Division of CIO. This T/O included a Warehouse Section for which fifteen (15) positions were established. (See Attachment 1)

2. The T/O for Communications Division, CIO, as approved on 22 December 1947 by [redacted] for the Director, Central Intelligence, established a total of [redacted] positions of which eighteen (18) were approved for the Signal Property Control Section. (See Attachment 2)

25X1A

3. Due to the impending consolidation of warehousing facilities, [redacted] recommended that a survey be made with a view to eliminating the Signal Property Control Section of Communications as such and placing the entire function under the Stock Control Unit of Transportation and Supply, which was formerly known as the Warehouse Section.

4. Approval is requested of the T/O for the Transportation and Supply Division, CIO, as set forth in Attachment 3. Under the recommended T/O there will be a net reduction of fourteen (14) positions. The Transportation and Supply Division will gain four positions, or an increase of from 46 to 50, and the Communications Division will be reduced by eighteen (18) positions due to the abolishment of Signal Property Control Section.
